DESCRIPTION

The Motion Sensor enables you to detect the movement of people in your room and then lets you automate & trigger multiple other smart devices connected to your Hogar SE Gateway & App. The Motion Sensor is compact and can be retrofitted in any angle.

Once a trigger is set off in the Working Mode of the Motion Sensor, the Sensor enters into a one minute Sleep State before returning to Working Mode.

PEOPLE TRIGGER   **ZIGBEE COMPATABILITY**   **EASY INSTALLATION**

LINKAGE TO OTHER SMART DEVICES   **APP CONTROL**   **VOICE CONTROL**

SPECIFICATIONS

PRE INSTALLATION MANDATORY CHECKS

• Place the Motion Sensor in an area where you expect people movement/anticipate intruders who need to be detected:
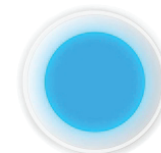

INSTALLATION

• You can either wall–mount the Motion Sensor with 3M glue or place it on your desk. The Sensor's magnetic base enables flexible & convenient installations.

ADDING MOTION SENSOR TO YOUR HOME

• Open the Hogar SE App and go to **"Rooms"**.

• Click on **"+"** Button and select **"Motion Sensor"**. Follow the prompts on your App for subsequent steps.

• Open the front cover of your Motion Sensor by turning it **COUNTERCLOCKWISE** & remove the battery insulation strip.

• To **POWER ON** the Motion Sensor, **Press and Hold** the button for 5 seconds.

• You will soon see the **BLUE LED** flash that indicates that the Motion Sensor has entered into **Enrolling Mode**.

• Click **"Confirm Indicator Rapidly Blink"** on your Hogar SE App.

Reset the device first.
Power on the device and confirm that indicator light rapidly blinks
Resetting Devices ›
Confirm indicator rapidly blinking

• Your Motion Sensor is now successfully added to your Hogar SE App.
